Denny Frey	K8NIB	Roger Gray	WABAHK

The C A R C meets the third Wednesday of the month at 7:30 PM.  
NEXT MEETING IS OCTOBER 21ST at the EMERGENCY PREPAREDNESS CENTER.

\*\*\*\*\*

ELECTION RESULTS

As you all know, the September meeting was Election Night (per our By-Laws). The offices that needed to be filled were President, Vice-President, Secretary, Treasurer, two Trustees for the three year term and a two year replacement for Kent KB8LNG, who resigned when other activities took too much of his time.

If you want to hear a pin drop and hear all the eye-ball QSO's stop right now, just hear the President say, "Nominations are now open for \_\_\_\_\_. There is absolute silence, with everyone just looking at each other for a few volunteers to speak up.

Dale KB8LWP, our Vice-President and one man nominating committee, was ready to pull out his hair asking for volunteers for the nominations. He graciously agreed to run for the full term of Vice-President for the 1992-1994 fiscal years. He took the position in June 1992, after Frank W8TUY resigned when his busy schedule did not permit him to continue making the meetings. Dale's first duties was the Field Day Chairman. This was his first Field Day as an Amateur Radio

Operator, but he asked a lot of questions and did a very commendable job as our Field Day Chairman for 1992.

For the position of CARC Secretary, Saundra Day N8TZB (another new recently licensed Ham), agreed to take on the duties of that position. For Treasurer, Larry K8RMY agreed to be recycled in that position for another two years. Larry is a retired bank accountant and loves to keep his hand in on the figures (mathematical figures, not the feminine type, although he can still admire that type also).

In the Trustee position, Jerry Shrigley KA8AHF, the out-going Secretary, agreed to replace Kent for the remaining two year term. The new three year term Trustees are Denny Frey K8NIB and Roger Gray WABAHK.

The position of President was another story. After several attempts in asking for a nominee, without success, Dale offered to take the position if he could get a nominee for the Vice-Presidency. Still no luck so the meeting was closed, minus a new President. Mark N8LZB, agreed to continue as long as he could, till a candidate could be recruited.

So HELP ! HELP !. The position for President is still open. Come on fellows, we need a president.

#### DUTIES OF THE PRESIDENT

The President shall preside at all business meetings of the Canton Amateur Radio Club, Inc. and shall perform the duties pertaining to that office. As such, he shall be the chief executive of the Canton Amateur Radio Club, Inc., to whom all other officers shall report. He will have the power to appoint Chairpersons of other activities.

So you can see that the position is not that bad. The members make all the decisions, the president just has to control the meetings and designate the work to other members. ARE YOU INTERESTED OR KNOW OF ANYONE THAT IS INTERESTED ???? Contact Mark N8LZB or Dale KB8LWP.

\*\*\*\*\*

#### UVENILE DIABETES FOUNDATION RUN/WALK

On Sunday September 27th (same day as the Cleveland Hamfest), the uvenile Diabetes Foundation sponsored a 6.2 mile Walk/Run as a money aising event. Dave Belitz WD8AYE was called and asked to again furnish adio communications for the event.

The weather man cooperated with a beautiful day in the upper ixties, perfect for the activity. Start and Finish location was Stark echnical College. Almost 300 participants showed up to take part in he event. The first runner finishing in 31 minutes and 33 seconds, far head of the rest of the field of runners.

Besides Dave WD8AYE as NCS for the event, were Julius KDBXD, Dan IBLVO and Bill K8JZN, furnishing the much appreciated radio munications. Could have used a few more people for better coverage but with the Hamfest on the same day, it is difficult to get olunteers.

## FOUND (Fall Ohio Ups 'N Downs)

The Stark County Bicycle Club sponsored their annual Fall Ohio Ups 'N Downs bicycle ride on Saturday October 3rd.

The event drew over 400 riders on the beautiful Fall day. The ride down through Holmes and Wayne Counties is a tour through some beautiful rural country scenery.

There were four different routes to chose from, a fifteen, a thirty four, a sixty seven and a ninety two mile route.

The area Amateur Radio Operators were again asked to furnished radio communications for the event. Because of the terrain and distance, two repeaters were used. W8AU 147.18 repeater as the primary frequency and Wooster 147.21 repeater for coverage in the valleys when 147.18 was marginal to reach, which worked out very good.

Considering the over 400 riders, problems were very few. A couple tire failures, derailer falling apart and only two spills were reported. The one rider suffered a few scratches that were cleaned up and the rider continued on his way. The other rider was not as fortunate. With a possible broken collar bone, he was transported to the hospital. No further information was available.

With Bill K8JZN as the acting net control, the rest stops were manned by Dick KCBOU, Art W8FEC, Tom N8KZZ and Ed WABDRT. Those touring the country side in the SAG vehicles were; Nelson W8EAR, Gordy K4FID, John K8LBZ, Gary KABMHZ and Charlie K8BYC.

The officers of the Stark County Bicycle Club and the riders, wish to THANK the Radio Amateurs for their much appreciated help for the event. It gave the riders a good feeling knowing that communications were available if and when needed and knowing they were not alone.

#### SEPTEMBER CARC MEETING MINUTES

The September 16, 1992 regular meeting of the Canton Amateur Radio Club was called to order at 7:32 PM by President Mark Warrington N8LZB. The usual round of introductions followed with 50 members and 5 guests in attendance.

SECRETARY'S REPORT - There were no additions, deletions or corrections to the minutes of the August meeting and they were accepted as published.

TREASURER'S REPORT - Larry Schmader K8RMY, reported a balance of \$962.00 in the club treasury.

NOVICE-TECH CLASS - John Ede1 K8LBZ; announced that the club will be holding Novice-Tech Classes. These classes will begin on Monday October 5, 1992 at the E.O.C. at 7 PM.

The Massillon Club will be offering a crash course for the General Class License. This class will start October 6, 1992 from 7 PM to 10 PM at the Massillon Senior Center.

PROGRAM - The speaker for the evening was Jeff Kinsley KBBCDD, of CCI Communications. Jeff demonstrated the Computer Program that he uses to determine the coverage of a commercial radio system.

ELECTION OF OFFICERS - Mark Warrington N8LZB, opened the floor for nominations for the office of President, Vice-President, Secretary and Treasurer. The floor was also opened for nominations for three Trustee positions.

Those accepting nominations were Saundra Day N8T2B, for Secretary, Larry Schmader K8RMY, for Treasurer, Dale Storey KB8LWP, for Vice-President. Jerry Shrigley KABAHF, Roger Gray WA8AHK and Denny Frey K8NIB accepted nominations for the Trustee positions. On a motion by Dag Daggett W8LVL, the nominations were closed. Shirley Rex K8MZT, moved that the slate of officers be elected by acclamation. The motion passed.

50/50 DRAWING - Gordy Jones K4FID won \$20.00.

With no further business appearing, the meeting adjourned for coffee, donuts and eyeball QSO's.

Respectfully Submitted By

Jerry Shrigley KABAHF

CARC Secretary

#### NOVICE-TECH CLASSES

On Monday October 5th, Novice-Tech classes started at 7 PM at the Stark County Emergency Operation Center.

Big John K8LBZ, started things out with welcoming the fourteen that showed up for the class. He then introduced the Instructors.

Rick Graber WD8AYC, is the Chief Instructor as he offered his services first. Roger Gray WA8AHK, a very proficient CW operator, has volunteered to provide his talents to teach the code for the class. Paul Bruski KF2AA and Roy Hathaway WA8SCH round out the Instructor group. With two Electronic Engineers and all four having careers in electrical and electronics, the students are fortunate to have these talented fellows as their teachers.

Four of the students have passed their theory tests, two already have their calls and two are waiting anxiously for their calls, so they are primarily interested in learning the code to become Technician Plus and gaining the HF privileges.

We hope they will all be successful and will join our ranks about the first of the year, with a Novice, No-Code Tech or Technician Plus Amateur license.

## GENERAL CLASS CRASH COURSE

Then On Tuesday October 6th, a General Class Crash Course started with eight licensed Technicians showing up for the classes. Gary Kline WCBW, is teaching the theory part, with Perry WBAU the primary CW Instructor. I know Bob Warehime N8KSO is one of the other Instructors. Do not know who else is helping teach.

For this class, the students must be able to receive the Morse Code at five WPM. They will have to work as there are only eight classes scheduled. Practice, practice, practice, is the only way to get that code speed up to the required thirteen WPM. We wish them good luck and hope none give up the challenge.

\*\*\*\*\*

## SILENT KEY

DICK HOLBEN K8DDV, became a Silent Key on Saturday October 10th after a brief illness. Our condolences to the family and friends.

SICK LIST - Cards are in order for some of our members that are on the Sick List.

Doris Smith WDBIKC is going in for surgery this week at Aultman.

Denny Frey K8NIB, has had cataract surgery recently and it was very successful. 20/30 vision now and is expected to improve as time goes by. Mary, his wife has also had surgery.

Paul Papulias WB8MEK, is doing much better and feeling better after it was necessary to amputate his leg, do to complications. He is looking forward to the physical therapy and receiving the prothesis. He and Margaret have been able to get out and do some visiting since the surgery, even joined the gang at the Saturday morning breakfast at the Country Maanor Restaurant.

The round of the Fall colds and flu bug is making it's rounds and made several members uncomfortable for awhile.

\*\*\*\*\*

## ROBERT W. JONES KH6O

Bob Jones KH6O, paid a surprise visit with the Friday Noon Luncheon group on Friday October 9th. Bob has been visiting stateside for the past month, enjoying playing tennis and visiting with his daughter and other friends. He took time out to visit the Canton area friends this past week. He says it was 53 years ago he left Canton for the Navy career.

He has been a licensed Ham since 1934. He has held many different Calls, including K3RXD, W6EDG, KR6JH and current call of KH6O. He has operated the KH6O beacon station on 20 meters for several years. On the August 1992 edition of CO Magazine, his elaborate moonbounce antenna system was featured on the front cover.

## CARC DUES

The fiscal year for the Canton Amateur Radio Club, is from October 1 to October 1. At the start of the fiscal year, your annual membership dues are due.

Support your club and the club repeater, by re-newing your membership promptly. Just fill out this membership form and mail to our Treasurer, Larry Schmader K8RMY, 3726 - 12th St SW, Canton, Ohio 44710 or hand your dues to him at next meeting.

**SUSTAINING MEMBERSHIP** - Any licensed Radio Amateur, contributing \$15.00 or more to the Canton Amateur Radio Club, will be placed on the Sustaining Membership Honor Roll for their generous contribution to the club treasury. They will have full privileges which includes voting rights, Feedline Bulletin, free Stark County Directory, which is published every two years and can hold any office in the club.

**FULL MEMBERSHIP** - Any licensed Amateur Radio Operator, contributing \$10.00 for dues, is entitled to all club privileges as above.

**ASSOCIATE MEMBERSHIP** - Any person, with an interest in Amateur Radio and wanting to help support the club, that pays \$5.00 dues, will be entitled to the Feedline Bulletin, can promote the Football Hall of Fame Certificate, but has no other privileges nor can they hold any office.

**FAMILY MEMBERSHIP** - Any family member, living in the same household as Full or Sustaining sponsoring member, for the payment of \$1.00 dues, will have same privileges except only one Feedline Bulletin will be mailed to the address.
